INTRODUCING THE WORLD'S FIRST PERFORMANCE RECLINER, NOW AT BERKOWITZ

LIFE IS A BLUR. A RUSH. TRY DOING NOTHING.

IT'S TIME WELL SPENT. INTRODUCING RE-VIVE, THE WORLD'S FIRST PERFORMANCE RECLINER. A CHAIR THAT IS ALMOST HUMAN, MIMICKING YOUR EVERY MOVEMENT. FLEXING AS YOU CHANGE POSITION, SUPPORTING YOUR BODY AND MIND IN A FLUID DYNAMIC FORM RECLINE, RELAX. LOVE DOING NOTHING.

EXPERIENCE THE NEW MOVEMENT IN COMFORT

Taking time to reflect, relax and recharge is essential. Our goal was to develop a recliner that promoted health and well being through total support and unparalleled comfort. Relaxation is physical as well as mental. Part of the process is the transition from standing to sitting, to reclining. Its unique technology provides a seamless shift between positions, removing the stress and strain of manual adjustment as well as providing a gentle dynamic rocking action.

TECHNOLOGY MEETS CRAFTSMANSHIP

The Re-vive recliner combines our Italian heritage of quality craftsmanship with leading edge, ergonomic technology from New Zealand. While Formway Design has deep experience designing innovative, technical chairs, Natuzzi has been in the business of beautiful, comfortable furniture for over five decades.

THE INNOVATORS OF COMFORT™

MADE IN NORWAY

Conditions apply.

BERKOWITZ IS YOUR STRESSLESS® DESTINATION

Seated in a Stressless® you'll instantly recognise the true meaning of comfort. It's the way it glides back smoothly, adding perfect support in all positions. It's how it gently swings - with effortless ease and stability. It's the finest leather covering the soft, yet supple cushion. For a limited time only, the ultimate in comfort from Norway is attracting special sale pricing on a selected range of superb leather sofas.
